The 2020-21 Budget Act provided funding for the 2021-22 Classified School Employee Summer Assistance Program (CSESAP). Subsequently, the California Department of Education (CDE) apportioned funds to provide up to a dollar for dollar match to eligible school employees from participating districts on amounts voluntarily withheld from the eligible employees’ paychecks during the 2021-22 school year. Under the terms of the program, LEAs pay their classified employees the amounts withheld from their monthly paychecks plus the CSESAP match funds expected from the state, in one or two payments in accordance with the employee's selected payment option.

On April 30, 2021 the CDE notified school districts that a participating employee is estimated to receive eighty-eight cents ($0.88) for each dollar ($1.00) that the classified employee elected to have withheld (CSESAP Estimated State Match).

Yesterday night the CDE publicized the actual amount of the match at $1.00, and the target dates for issuance of payments for classified employees selecting two payments will be August 10, 2022 (disbursement of voluntarily withheld amount) and September 10, 2022 (disbursement of the state match).

The target date for classified employees selecting one payment will be August 10, 2022 (disbursement of voluntarily withheld amount and the state match).

Note that disbursement will occur in the form of a physical warrant and available for pick up at your site.

Please note that the dates indicated above are target dates and that Fiscal Services intends to update this page: www.emuhsd.org/payroll with the latest information regarding disbursement schedules as information is confirmed.
