

Mountain View High School
School Year _____
LUNCH PERMIT APPLICATION

In an effort to more fully cooperate with parents sending their children to Mountain View High School, the school has established a controlled off campus policy. In order for students to leave the campus at lunch time, they must have on file a permit signed by their parent and the approval of the school administration. California State Education Code No. 44808.5 allows students to leave the campus during lunch time. Parents must assume the full liability and responsibility for their child's conduct and safety during such time. The school district or any officer or employee thereof cannot be held liable for students when off campus at any time. If you wish to allow your child to leave campus during his/her lunch period, please complete the form below.
