

The site plan illustrates the proposed location of the new baseball stadium, Panthers Field, on the campus of the University of North Carolina at Chapel Hill. The stadium is depicted as a large, oval-shaped field with a surrounding seating area. It is situated adjacent to the existing baseball field, which is shown as a smaller, rectangular field. The plan also includes the layout of the surrounding campus, including the UNC-CH Chapel Hill campus, the UNC-CH School of Medicine, and the UNC-CH School of Public Health. The stadium is located on the eastern edge of the campus, near the intersection of the UNC-CH campus and the UNC-CH School of Medicine. The plan shows the stadium's proximity to the existing baseball field and the surrounding campus infrastructure, including roads and parking areas. The stadium is labeled "Panthers Field" and is shown with a large, oval-shaped field and a surrounding seating area. The plan also includes the layout of the surrounding campus, including the UNC-CH Chapel Hill campus, the UNC-CH School of Medicine, and the UNC-CH School of Public Health. The stadium is located on the eastern edge of the campus, near the intersection of the UNC-CH campus and the UNC-CH School of Medicine. The plan shows the stadium's proximity to the existing baseball field and the surrounding campus infrastructure, including roads and parking areas.
