

What you need to know prior to selecting your courses

- Please select your classes carefully!
- Do NOT make your selections based on teachers. Teachers may teach different classes from year to year.
- You are making A YEAR-LONG COMMITMENT to enroll in the courses you select. You may NOT drop a class because you change your mind or do not like the grade you earn first semester. Program changes after the beginning of the school year are considered only if compelling circumstances warrant a change and class space is available.

What you need to know prior to selecting your courses

 Students planning to take AP/Honors Courses must review and sign the <u>AP Agreement</u> with your parent or guardian. This is available through your English teacher or in the Guidance Office.

10th Grade Let's fill out your course selection sheet

• <u>Step 1:</u> Write in your name, ID number, and career goal. Then, check-off a post high school option and your counselor.

Name	
ID#	
Career Goal	ex. Engineering, nursing, military

☐ 4-Year ☐ 2-Year ☐ Vocational/Trade ☐ Military ☐ Work

COUNSELOR:

- Gutierrez (A-Do)
- Saldaña (Dp-Lopez, G.)
- ☐ Valadez (Lopez, H. Q)
- Burgess (R-Z)

10th Grade

Step 2: Please put a checkmark √ next to your choice of English, World History, Chemistry, Math and Life Recreation (10th grade PE). For electives, rank them in order (1-5), with one being your first choice if your schedule permits. We will prioritize your first and second choices. The remaining options will be used as backups in case of any scheduling conflicts.

Listed below are available courses for the 2025-2026 school year. Please put a checkmark √ next to your choice of English, World History, Science, and Math. For el #1 being your first choice if your schedule permits.

Courses marked with an *asterisk may require permission from the instructor. These classes may require a separate application or try-outs.

This schedule is being created based upon your aca	demic needs. Please make your selections carefully as	requests for program changes will not be allowed. **All

10th Grade

• Step 3: On the far right, list any courses that need to be completed/repeated for graduation and/or A-G requirements.

- List any courses that you need to take over summer school (**No get-aheads).
 - THE ONLY GET-AHEAD is Math Academy with Rio Hondo.
 - June 13-July 18
 - Monday-Friday 8:00am-2:0pm
- List any courses that you want to repeat through OPL (Repeats only).

RÍO HONDO

WOULD YOU LIKE TO FINISH A MATH LEVEL (SEMESTERS A & B) **DURING THE SUMMER?**

supportive, equitable, and engaging environment that fosters appreciation of mathematics and skills development to prepare middle and high school students for higher college level math courses, such as AP Calculus and AP Statistics.

By participating in the Río Hondo Math Academy this sum

- complete courses that usually take a year to complete, and be placed in the next math level for the upcoming school year,
- earn up to 10 high school credits,
- complete advanced math classes (AP Calculus or AP Statistics) before you graduate from high school.

Current El Monte High School District students need to see their high school counselor to participate in the Río Hondo

Please contact the Río Hondo Math Academy at (562) 222-1482 if you have any questions.

June 13 - July 18

No class: 6/19 & 7/4 Monday-Friday

8:00am-2:00pm Optional tutoring available 2:10pm-3:00pm
