

Mountain View High School

ASSOCIATED STUDENT BODY

MV Vikings:

Every activity on this campus starts with the ASB. It is the vision, dedication, and spirit of the ASB that makes our campus come to life and inspires greatness in those around you. It is the imagination of the dreamers and the hard work of the doers that can transform our very culture into something inspiring.

ASB is a fun place to be because you have the power to make people believe in something greater. But ASB is life, and requires a total commitment. Students in ASB help run all the events on campus such as: freshmen orientation, rallies, assemblies, homecoming, dances, graduation and more.

Students in ASB also play an important part in big school decisions. They vote on how the clubs and groups on campus will spend their monies, manage the school's activities calendar, and work their hardest to embody and create school spirit.

It takes long hours, the ability to work as a team, the need to constantly rise above negativity, and the responsibility to model what we wish to see in all students. It requires you to be a leader. So, if you're up for the challenge, continue reading below.

GENERAL REQUIREMENTS: In order to be eligible for ASB you must uphold a 2.5 GPA or higher with 0 F's, keep satisfactory attendance, and attend the mandatory 7:30 AM leadership meetings everyday unless otherwise instructed.
