Mr. **Jose Velasquez**, DELAC Vice-president, asked for clarification on why less funds were spent for para-professionals for the 19-20 school year as compared to the 18-19 school year. Mrs. Echeverria explained that the staffing of para-professionals remained the same, but that the funding out of Title III was less for 2019-2020 because the para-professionals were also funded out of the Supplemental & Concentration grant.
