

San Gabriel Valley GO GREEN

WHAT IS SGV GO GREEN?

SGV GO GREEN is a program that helps businesses, nonprofits, schools, libraries, and faith-based organizations in the San Gabriel Valley become more environmentally-friendly. Participating organizations will receive free sustainability and energy efficiency educational tools to implement energy-efficient actions.

Benefits for Organizations

FREE MARKETING

Including flyers, website and social media mentions, and local press opportunities.

ADDITIONAL CUSTOMERS

Consumers are more likely to buy from organizations that give back to the community.

SAVE ON ENERGY COSTS

Organizations can save an average of 2.5% per year on energy bills by implementing energy-efficient infrastructure and behavior norms.

4 Simple Steps to Participate

STEP 1 : VISIT THE SGV GO GREEN WEBSITE

Visit www.sgvenergywise.org/sgvgogreen and submit an easy and simple SGV GO GREEN application form online.

STEP 2: SCHEDULE YOUR FREE ENERGY ASSESSMENT

Once your application has been received, a staff member will schedule an energy assessment with your organization. This will help you highlight how your organization can become more energy-efficient.

STEP 3: COMPLETE A GO GREEN ACTION PLAN

After the energy assessment is completed, a staff member will work with you to create a simple and impactful energy action plan.

STEP 4 : SHOW OFF YOUR ACCOMPLISHMENTS

Show off your energy-efficient accomplishments by displaying SGV GO GREEN information materials at your organization! Our team is happy to deliver free market-
