# REWARDS

Vikings,

Our Viking Rewards Program is back! We are so proud of how hard you've been working since the beginning of the year, and we are here to honor your efforts once again.

When you attend tutoring, earn perfect attendance, pass all your classes or make it to Honor Roll, you will earn points that you can exchange for the Viking gear of your choice. The more points you earn, the more options you have! Choose from socks, beanies, sweaters, airbuds, hydro flasks, even sandals!

When does it start? It already did! Want to see how many points you've already earned? Check out the **POINTS LIST** to the left and look up your ID number to see how many points you have. Be sure to complete your order form and turn it into the Student Store to redeem your rewards! You can print an order form or pick one up from the Student Store.

Keep working hard Vikings and soon you'll earn the prize your heart desires. Click on the REWARD LIST TAB to see the prizes you can earn.

What's an easy way to earn points? Go to TUTORING! Remember that tutoring is offered by PREP. Please see the **TUTORING INFORMATION** tab for the schedule.

Keep up the great work! You inspire greatness!
