Dear EMRAS Student,

The health and well-being of our students, staff and community is our top priority and drives every decision we make. As we do our best to anticipate the challenges that come with this public health crisis, we know that ongoing social distancing is critical to protecting your family and our community. Based on guidance from the governor and state and county education leaders, we have decided **not to offer adult school classes during the summer**. Adult School classes will resume beginning in the fall semester. Please continue to monitor our website at www.emuhsd.org/EMRAS for details regarding registration dates and course schedules.

Many of you have been able to complete your classes with our online and virtual classes. Good job! Some of you have started classes that required hands-on practice for certification. Your classes will be scheduled to start again in the fall. You will have the opportunity to complete the courses that you started. We realize that this is a delay for some of you. We look forward to helping you complete your training as soon as we are able to conduct classes during our regular school session in the fall. If you paid fees for your CTE classes, these fees will cover your classes when they resume in the fall. If you are unable to continue with us and need a refund for your fees, please complete a refund request form (just click here for refund process bit.ly/emrasrefunds) and we will work to process your refund when we are again able to be on campus.

We know this is a difficult time for many reasons. EMRAS is still here to serve you! If you have any questions, please feel free to reach out via email. We thank you for your understanding as we navigate this COVID-19 crisis and we look forward to seeing you this fall! Please keep yourself and your family safe!
Our email address is emras@emuhsd.org

Sincerely,

Deborah Kerr, Ed.D.
Principal, El Monte-Rosemead Adult School
