Message from the Parent Center

Hello Parents!

I would like to take the time to introduce our new Comprehensive Student Support Coordinator, Jessica Lopez. Here is a little bit about Jessica.

“My name is Jessica Lopez, I have been working for the El Monte Union High School District for 4 ½ years. I started as a Clerical Intern in the Human Resources office and was there for 2 ½ years. I then went on to becoming the District Translator in the Pupil Services office and was in that position for 2 years. I am a student at Los Angeles Pacific University where I am studying Psychology. I enjoy working with students and I am very happy to be part of the Rosemead High School family.”

Welcome to the RHS Family
Jessica!

Sincerely,

Vanessa Salazar

Dear Rosemead Families,

Welcome to the second semester of the 2019-20 school year. As we begin this second half of our journey please note that there are several things we can do together to ensure success for your student. One is to make sure your child is at school and on time. This means for them to be here no later than 7:40 a.m. so they can eat a healthy breakfast provided to them by the school. The other is to make sure you have good communication with the school; specifically, your child's teachers. Good communication is the key in academic success. If you need any assistance please contact us at 626.286.3141.

I would also like to take this time to congratulate and send well wishes to our Parent Liaison, Vanessa Salazar, on the future addition to her family. She will be starting her maternity leave on February 28th and will be returning in August of the following school year. Although Mrs. Salazar will be gone, we want to continue to encourage parent involvement and communication with our school. Please contact our main office for assistance.

Next month, in March, we will have a visiting team reviewing our school. This is known as a WASC visitation. On Sunday, March 22 at approximately 3:00 p.m. we will have a time for parents to visit with this team. Please come and share food and conversation with them on that day. More information will be shared over the next month.

Rosemead High School's beliefs are anchored in these words: Sincerity-Honor-Tolerance-Service. Please help us in manifesting these tenets in your conversations with your children.

Regards,

Brian Bristol, Ed.

Principal, Rosemead High School

LUNAR NEW YEAR CELEBRATION

On Friday, January 24th staff and students at RHS joined in to celebrate our first annual Lunar New Year Celebration. The event was filled with traditional foods from China and Vietnam. Students and staff had the opportunity to try traditional cakes, crackers, and snacks typically eaten on the New Year. There was also a photo art area with traditional Chinese Decorations, including two Lion heads available to try on and take pictures with. Students and staff dressed in traditional Chinese and Vietnamese attire or wore the color red for good luck. Ana Ieng, our EL TOSA, handed out traditional red envelopes which represent luck in the Chinese Culture. Students were taught to say Happy New Year in Chinese as they received their red envelope.

It was wonderful to see staff and students alike come together to celebrate and embrace traditions from other cultures. The uniqueness and diversity of our campus really comes alive when we celebrate events such as these. A special thank you to Ana Ieng for organizing this event for our students and staff. We can't wait to see what other cultural events she has in store for us in the future! Happy Lunar New Year everyone!

Outstanding Boy and Girl Student of the Month

Welcome Class of 2024!

On January 31st, 8th graders from our feeder schools, Gidley and Muscatel, came to visit and learn about exciting opportunities here at RHS!

The 8th graders arrived and were welcomed by our

LINK Crew and ASB

students and shortly after enjoyed a spectacular performance by our Cheer and Song Team, as well as, our Color Guard Team.

The 8th grade students were then divided into groups and were able to attend various

presentations including, AVID, Anti-Bullying, College & Career, and a Resource Fair provided by ASB. It was truly a fantastic experience for them!

The day closed out with a performance from our Choir and Band. A special thank you to Mrs. Gray and Mr. Carden!

A special thank you goes out to ASB, LINK Crew, Ms. Lopez, the Guidance Team, and everyone else involved in making this such a wonderful experience for our 8th graders!
