

From the CSF website:

About us:

The California Scholarship Federation, Inc. is a nonprofit organization whose mission is to recognize and encourage academic achievement and community service among middle and high school students in California. There are approximately 1500 chapters in middle school and high schools throughout the state, and each chapter is comprised of students members who meet eligibility requirements. Each chapter is led by a staff adviser.

Eligible students become members by submitting applications based on their report card grades. Membership is for one semester, and membership drives are held each semester within established periods dictated by the State Bylaws.

To be an active member of CSF, students must complete an application every semester to determine eligibility. Applications can be picked up from Dr. Lewis approximately two weeks after the Fall semester ends (January) and at the beginning of the following semester for Spring grades (August).

To become a Life Member, students must apply FOUR SEMESTERS during the last six the student is enrolled in high school. ONE SEMESTER MUST BE DURING SENIOR YEAR. Senior may use grades from the report card earned upon graduation. See Dr. Lewis for more information.
