9th-12th Grade Petition For Concurrent/Dual Enrollment

Please read the following information carefully and complete on the reverse side the 9th-12th Grade Petition For Concurrent/Dual Enrollment.

Rio Hondo College is a two-year community college. We have an open agreement with local high school districts to enroll high school students in college classes.

The Community College educational environment is geared toward adult students. This is true in both lecture/discussion classes as well as skills/performance classes. Lecture/discussion courses are not always appropriate for younger students due to the nature of topics discussed and the language that may be used.

POLICY

Concurrent/Dual Enrollment students are permitted to enroll in a maximum of eleven (11) non-remedial units each term. Authorized personnel from the student's high school must determine if a student is prepared and will benefit from taking college level courses. All Concurrent/Dual Enrollment forms must be signed by the student, student's parent/guardian, and the authorized personnel from the high school.

Our goal is to serve high school students by offering:

- Classes that are not currently offered in their school system
- Classes that are advanced beyond the level of courses at the high school level
- Classes that will help the student complete graduation from the high school

ENROLLMENT REQUIREMENTS

In order for high school age students to enroll in a college course(s), the following is required:

- Student must complete and sign the petition on the reverse side
- This petition must contain the parent's **AND** Principal or designee's signature indicating approval for enrolling in classes at the college
- Home School students must provide verification of satisfactory completion of courses instructed at the home school and obtain authorization from the District/High School from which they have been released
- All students must complete the appropriate Rio Hondo College application, and submit this form.
- All pre-requisites must be met and cleared prior to registration
- You must still register for class(es) that have been approved for official enrollment. **(Submission of this petition does NOT constitute official enrollment of classes.)**

For information about the above or about enrollment/residency issues, please contact the Admissions and Records Office at (562) 463-7639.

DUAL ENROLLMENT STUDENT RESPONSIBILITIES

High School Name- Class

Rio Hondo College provides free college classes to any High School age student, for up to 11 non-remedial units. It is important to be aware that these college level courses will reflect on your official college transcripts. Please go over this with Rio Hondo College outreach staff or a High School Counselor to ensure your understanding of the following Policies and Procedures regarding your college courses.

By signing below, I understand the following items:

1. I will attend all classroom instruction. Class meets according to the class schedule. I understand that unexcused absences may result in a lower grade.
2. I understand that I am required to attend my Rio Hondo College course when it meets unless notified by the faculty member.
3. I understand that it is my responsibility to drop the class by notifying the faculty member teaching the class **and** dropping the class online through AccessRio. Rio Hondo College will not be responsible for dropping me from the course.
4. I understand that if I no longer wish to attend the class, I must drop the class online through AccessRio by the following deadlines:

Last day to drop the class without a W:

Last day to drop the class with a W

Students are unable to drop the class after the _____ deadline

Failure to drop the class before the posted deadlines can result in a D/F grade. I understand that no partial credit will be given in the course.

5. I understand that the grade for this course will appear on my college transcript.

In signing this contract, you confirm your understanding of the above-mentioned policies and procedures. If you have questions, please contact Rio Hondo College Outreach.
