Type	Action
Fiscal Impact	Yes
Dollar Amount	16,408,511.00
Budgeted	Yes
Budget Source	General Fund (01.0)
Recommended Action	District Administration recommends approval for the Use of Education Protection Account funds for certificated teacher salaries and benefits in 2020-21.
Goals	

Education Protection Account (EPA) funds became available with the passage of Proposition 30 in November 2012 and revenues were set to expire in 2018. Passage of Proposition 55 in November of 2016 extended EPA funding through December 31, 2030. As a consequence, Local Education Agencies (LEAs) are required to continue making spending determinations for EPA funds at a Governing Board meeting and subsequently must report on their websites an accounting of how much funding has been received and expended. For the period beginning 2013-2014 and through 2029-2030, while the EPA is in effect, the Governing Board should discuss the use of funds and consider that:

- A spending plan must be approved by the governing board at an open public meeting.
- EPA funds cannot be used for administrative salaries or administrative costs.
- Proposition 30 requires all districts to report on their websites an accounting of how much money was received from the EPA and how that money was spent.
- 2020-21 EPA funding for certificated teacher salaries and benefits is projected at \$16,408,511.
